Project Description

According to the IFC website, the proposed project consists of a senior syndicated loan to PT Mitra Bisnis Keluarga Ventura, IFC's existing portfolio client and a leading microfinance institution (MFI) in Indonesia. MBK started operations in 2003 and as of September 30, 2017, operates with an asset base of around US\$179 million, serving close to 1 million clients. MBK targets the bottom 25 percent of the population in Indonesia by income, with a focus on rural women not traditionally banked by commercial banks and other finance institutions. The funding shall be used to support the growth of the Company's microfinance portfolio, mainly targeting underserved rural women borrowers.

Investment Description

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
