## Project Description

Fullerton Health Philippines Holdings Corporation (“FHPC”) is a wholly owned subsidiary of Fullerton Healthcare Corporation Limited. The Company will acquire a 60% controlling stake in the Intellicare group of companies, a leading health maintenance organization company in the Philippines, with a membership base of over one million lives. FHPC plans to establish a vertically integrated managed healthcare platform in the Philippines that will comprise Intellicare, as well as the roll out and acquisition of related healthcare providers.

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
