## Project Description

The proposed project includes an up to US\$25M corporate A-loan to finance the expansion and modernization of the University. As part of its expansion and modernization, USTA developed its Strategic Development Master Plan to be implemented between 2016 and 2035. This plan includes the Multicampus Integration Plan (Plan de Integración Multicampus-PIM in Spanish), to be developed in three phases, aimed to establish a coordinated operations structure among all its campuses in the country. The PIM includes the Conservation and Restoration Plan, the Environmental Plan, the Standardization Plan, and the Maintenance Plan, among others.

The Universidad Santo Tomas (“USTA” or the “University”) is a private university in Colombia. USTA has been established as a university since 1965, with operations in Bogota, Villavicencio, Tunja, Bucaramanga, Medellin and other smaller cities around the country.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
