<b>Ring Fence</b>	Climate
<b>Investment Type(s)</b>	Loan
<b>Investment Amount (USD)</b>	\$ 153.41 million
<b>Loan Amount (USD)</b>	\$ 153.41 million

---

## Project Description

The proposed IFC investment involves supporting the renewable energy lending program of Aditya Birla Finance Limited, a Systemically Important Non-Deposit Accepting Non-Banking Finance Company (NBFC) in India through an INR ECB loan or subscription to NCDs, or green bonds, issued by the Company. The INR ECB loan will be issued under Track III of RBI's ECB guidelines. While the NCD issuance shall comply with SEBI (Indian regulator of the securities market) guidelines for green bonds. The proceeds of the issuance shall be on-lent by ABFL to solar projects in select states of India.

---

## People Affected By This Project

**GHG Savings:** The proposed investment will result in savings in GHG emissions of up to 120,104 tCO<sub>2</sub> p.a. as it will finance power generation through renewable and climate friendly sources. This is critical in the view of the GOI's overall intentions to reduce carbon intensity of the economy.

**Integration:** IFC's engagement with ABFL will support the latter's commitment to the renewable energy sector sending a positive signal to the market, and is likely to attract other local and international financial institutions to increase their investment in this sector. Additionally, IFC's continued investment in Green Finance will help to popularize this relatively new asset class, and attract niche investors.

---

## Investment Description

- International Finance Corporation (IFC)

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [Aditya Birla Finance Limited](#) (Financial Intermediary)
- [Aditya Birla Finance Limited](#) (Financial Intermediary) **is owned by** [Aditya Birla Group](#) (Parent Company)

---

## Private Actor Relationship

There is often limited information publicly available about what development banks are funding through financial intermediaries. In 2021, the Early Warning System partnered with Oxfam International to incorporate information on high-risk projects being funded by financial intermediaries receiving funding from the International Finance Corporation (IFC) and the Dutch Development Bank (FMO).

The information listed below describes the relationship between the different private actors linked to high-risk sectors and subprojects of IFC and FMO's financial intermediary investments and/or the financial intermediary's parent companies made from 2017 through 2020, including any associated ring fences.

The database, however, does not explicitly or implicitly imply that IFC or FMO have material exposure to or are contractually or legally accountable to the sub-projects financed by their financial intermediaries or the financial intermediary's parent companies. It only shows a seemingly financial relationship among the different private actors, the financial intermediaries, and IFC or FMO.

## Private Actors Description

ABFL is a 100% subsidiary of Aditya Birla Capital Limited (ABCL), which is the holding company for all financial services businesses of Aditya Birla Group (ABG).

In 2017, ABG undertook a restructuring exercise which involved merger of group companies Aditya Birla Nuvo (parent of ABCL) and Grasim and subsequent demerger and listing of ABCL. The exercise has now been completed and ABCL got listed on September 1, 2017. Grasim holds 56% in ABCL, Promoters hold 17% and balance is held by public shareholders.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
