Project Description

According to the IFC website, the project involves setting up a new cutting and sewing factory in Bhaluka, Mymensingh, Bangladesh for Esquire Knit Composite Limited. Esquire Knit Composite Limited manufactures ready made garments. The company was founded in 2000 and is based in Dhaka, Bangladesh.

The new facility, to be housed in a green building, will comprise 102 sewing lines, seamless garment knitting, molded bra cup technology and automatic cutting and sewing for production of active wear and lingerie. According to the project development objectives, the project is expected to lead towards employment growth, recruitment of skilled workforce and better waste management/energy conservation due to LEED certified green factory.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
