Project Description

Aloreen Company for Investments (“Aloreen” or the “Company”) has been operating under the commercial name of Basra Multipurpose Terminal, a multipurpose terminal (“Terminal 1”) at the Umm Qasr port (the “Port”) in Iraq. Terminal 1 has been operational since March 2016 under a 25-year concession agreement with the General Council for the Ports of Iraq. The Company is now seeking to increase its overall capacity by developing a new terminal exclusively dedicated to containers (“Terminal 2”). Once completed Terminal 2 is expected to have an annual handling capacity of approximately 400.000 twenty foot equivalent units.

Investment Description

- International Finance Corporation (IFC)

The Project Cost is estimated at approximately US\$200 million. IFC is expected to provide up to US\$45 million in senior debt financing to the Company for IFC's own account and help mobilize additional financing from other lenders.

ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
