Project Description

Edita's investment plan includes (a) expansion into Morocco through a JV with a Moroccan partner to establish a production facility in Morocco, (b) capital expenditures in Egypt, (c) refinancing a portion of Edita's existing debt, and (d) acquisitions in Egypt and other countries.

IFC's investment will help in: (a) sustaining and creating new jobs in Egypt and Morocco (Edita's future growth will create 400 direct jobs per year in Egypt alone, totaling 2,000 over the next five years); and (b) increasing integration of Egypt's processed foods sector, through capacity building and skills, as Edita will continue to support and develop local suppliers of raw materials, and these suppliers will supply other players in Egypt's processed foods sector.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
