The bank is amongst the few Small finance banks that focus on providing micro loans to women borrowers in urban and semi-urban areas. Its target customers include self-employed women working as vegetable or fruit vendors, small shop owners, sari sellers, tailors, salaried women working in garment factories, hospitals, cooks, house maids, and piece rate workers involved in incense stick rolling, tailoring etc. The bank is 100% subsidiary of the Ujjivan Financials Services Limited. Ujjivan has over the years, established itself as one of the most customer centric institutions with a strong emphasis on responsible lending and good HR practices.
