## Project Description

According to the bank website, the proposed project envisages a debt investment in Suryoday Small Finance Bank (“Suryoday” or the “Bank”) headquartered in Navi Mumbai, Maharashtra with a borrower base of more than 850 thousand borrowers and a loan portfolio of approximately INR19.4 billion (US\$277 million equivalent) as of June 2018.

IFC stated that "the Project will help in expanding the outreach of access to microfinance to borrowers who have little or no access to formal sources of financing, including borrowers in low income states of India which have amongst the highest population densities and poverty rates in the country; and would help demonstrate the sustainability of lending to the micro-small business enterprises and build investor confidence in alternate means of providing microfinance through various channels.

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
