Project Description

According to bank documents, the Project objective is to provide an export pre-financing facility to BIOVANILLA SARLU for the purchasing and processing of vanilla beans for exports to international offtakers.

The proposed investment is an up to US\$ 15.75 mn loan to Biovanilla for a short-term (1 year renewable twice) export pre-financing backed by vanilla offtake contracts with reputable offtakers. Funds will be used to purchase and process vanilla. To ensure sustainability and traceability of its supply, Biovanilla is supporting the Exotic Cooperative, which is Rainforest Alliance certified. The Cooperative provides c. 40% of Biovanilla's supply and includes about 2,300 vanilla producers spread in agricultural areas in 58 villages, around Sambava in north-east Madagascar. The rest of the supply comes from collectors in the same area.
