Project Description

According to IFC website, the Project's expected development impact includes (i) increased employment and skills development, (ii) value addition and supply chain linkages in Romania, Morocco and Algeria, and (iii) increased stakeholder benefits (i.e. customer benefits via better access to wider variety of components and parts; supplier benefits via additional domestic purchases). Beyond the project, IFC anticipates the investment will help increase the competitiveness in the auto-parts industry in Romania, Morocco and Algeria.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
