Private Actors Description

The company procures pharmaceutical products and medical equipment, stores in its large network of logistical centers in China, to be subsequently sold to hospitals, clinics, and pharmacies throughout China. While product distribution constitutes the core predominant part of the company's overall business, Jointown also owns and operates one manufacturing facility in the Beijing area (which produces diabetes and cardiovascular-related medications), and one in Zibo city, Shandong province (which produces medications for mental illnesses, diabetes, and cardiovascular conditions).

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
