Project Description

According to bank documents, the project is to incorporate a holding company, Humania, that will focus on developing a network of high-quality multispecialty hospitals and healthcare assets in emerging markets, mainly North Africa and Pakistan. Humania will be established by Bait Al Batterjee Medical Co., and will initially focus on four projects (total of 641 beds): acquisition of one operating hospital from BAB Group in Egypt; two greenfield projects in Egypt; and one greenfield project in Morocco. BAB Group will provide a turnkey development solution and operational support to Humania and all assets will be operated under the Saudi German Hospital banner.

Investment Description

- International Finance Corporation (IFC)

Humania's initial investment program has a total project cost of US\$355m made up of US\$225m in HoldCo equity and US\$130m in Islamic finance project debt.

IFC's proposed engagement will be up to \$65 million in debt and equity as follows:

- Equity: Invest \$30m in convertible preference shares and support efforts to mobilize an additional \$60m of HoldCo equity from AMC and other investors;
- Debt: Provide project level Islamic financing of up to US\$[35m] in the form of an A Loan and lead the mobilization of an additional [US\$95m] of debt

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
