### Private Actors Description

TruKker is a long-haul e-logistics B2B platform utilizing an “Uber for trucks” model to develop a marketplace matching cargo owners with long-haul freight needs and truck drivers who are able to service them, both domestically and cross-border.

TruKker was established in 2016 operating out of the UAE and India as a B2C service focusing on consumer household moving needs. During 2018 it has shifted to B2B (both domestic last mile and cross border) while providing long-haul services across UAE, Oman, Saudi Arabia, Egypt, Bahrain, Kuwait and Jordan. At present, TruKker operates out of the UAE (domestic) but is also launching domestic services in Saudi Arabia, and will soon follow with Egypt. To date, the company has onboarded 4,500 trucks on its platform, serving 150+ corporate clients across the Gulf Cooperation Council (GCC) completing over 1,500 loads per month. The company’s top sectors it services include petrochemicals, steel, copper and fast-moving consumer goods (FMCG) across the GCC.

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
