## Investment Description

- International Finance Corporation (IFC)

As disclosed by the IFC, the project is a multi-phase investment package in the amount of US\$38.5 million to BHS. The first phase of the project consists in a debt instrument secured by a pledge over mortgaged receivables and the underlying accessory mortgages and subsequent investments might include debt, equity or quasi-equity instruments, to be decided upon and approved at a later date.

The first phase of IFC's investment will be supported by (i) IDA20 Private Sector Window (PSW) Local Currency Facility (LCF), (ii) IDA20 PSW Blended Finance Facility (BFF) and the Market Accelerator for Green Construction ("MAGC") Program, as described in the Blended Finance Section.

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

## Private Actors Description

As reported by the IFC:

Established in 1979 and headquartered in Dakar, Senegal, BHS was created by the Government of Senegal to become the first specialized housing finance institution focusing on lower middle-income groups. As a systemic Bank in the housing segment in Senegal and the West African Africa Economic and Monetary Union region, BHS is currently the leading provider of developer housing finance in the country. BHS operates through a network of 25 branches spread across both rural and urban areas of the country, as well as the 6 representative offices in the US and France to capture diaspora savings for housing.
