## Project Description

According to bank-provided information, Bergman, Ross & Partners Radiologist Incorporated, one of the largest radiology practices in Sub-Saharan Africa, seeks IFC financing for the expansion of their existing Medical Diagnostic Imaging practice in Accra, Ghana. The new facility, operating under the business name Quest Medical Imaging Ghana, will initially have one unit each of Ultrasound, Digital X-Ray/Fluoroscopy and CT Scan ('the Project'). The Project will address the domestic shortage of MDI facilities in Ghana as Demand for imaging facilities in Ghana currently outstrips supply.
