Project Description

According to bank-provided information, Bergman, Ross & Partners Radiologist Incorporated, one of the largest radiology practices in Sub-Saharan Africa, seeks IFC financing for the expansion of their existing Medical Diagnostic Imaging practice in Accra, Ghana. The new facility, operating under the business name Quest Medical Imaging Ghana, will initially have one unit each of Ultrasound, Digital X-Ray/Fluoroscopy and CT Scan ('the Project'). The Project will address the domestic shortage of MDI facilities in Ghana as Demand for imaging facilities in Ghana currently outstrips supply.

ACCESS TO INFORMATION

You can submit a request for information disclosure at: https://disclosures.ifc.org/#/inquiries

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org
