## Project Description

According to the bank document, "the proposed project is a follow-up investment in Yoma Micro Power (S) Pte. Limited ("YMP" or the "company") for an amount of up to US\$87.4 million, comprising:

- 1/ An IFC A Loan of US\$30 million and additional equity of US\$7.4 million, and
- 2/ US\$20 million of mobilized loan.

YMP is a distributed generation developer providing solar power to telecom towers and clients located in off-grid areas in Myanmar.

Up to date, the company has implemented 250 tower sites across Myanmar, and this proposed investment by IFC (the "Project") will support the company's expansion over the coming 5 years to

(i) 2,000 tower Distributed Generation (DG) sites (including up to several hundred corresponding community electrification sites), totaling an installed capacity of about 30 Mega Watts across Myanmar; and

(ii) to provide installations of rooftop solar power to C&I clients.

Each YMP Photo Voltaic (PV) ground station has on average a land footprint of about 1 acre. The Project spans over 2,000 tower sites, 375 community electrification sites and 30MWs of C&I rooftop power within Myanmar. "

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
