Project Description

According to the bank document, "the proposed investment is a loan for Indonesian Rupiah equivalent of up to US\$50 million to Farpoint to support the development of affordable housing projects (a total of around 7,000-8,000 landed houses).

Proceeds of the IFC loan will be used by Farpoint's subsidiary, Investasi Semesta Indonesia to develop four affordable housing projects viz.: Samanea Hill project (25ha) currently under development and three potential future developments in Parung Panjang (12ha), Batu Malang (20ha), and Cikeas (40ha) or other suitable land sites (the "project").

These housing units are expected to be located in the Greater Jakarta and Java area".

Investment Description

- International Finance Corporation (IFC)

The total cost of the Project is estimated not to exceed approximately US\$364 million and will be funded by a senior loan of up to US\$50 million from IFC's own account.
