Project Description

The proposed Project consists of a 7-year (with 5-year grace) subordinated loan of up to US\$75 million to the Co-operative Bank of Kenya Limited (Co-op or the Bank). IFC's loan will enhance the Bank's regulatory capital and support its lending program to expand access to finance for MSMEs in Kenya, which are expected to be highly affected by the COVID-19 pandemic (the Project).

People Affected By This Project

Project Outcomes:

i) Stakeholder effects - Increase in accessibility of finance for MSMEs

Contribution to Market Creation:

i) Resilience: The project is part of a broader IFC FIG's initiative to strengthen the capital base of leading and regionally important banks in Kenya, which is expected to result in systemic improvements in institutions that will contribute to financial market stability and help the market withstand shocks by boosting capital adequacy.

ii) Integration: The Project is expected to contribute to an increase in financial integration in the SME finance market through the promotion of replicable instruments such as Basel II Tier II capital to raise funds for SME banking.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
