Project Description

According to the bank's website, "The proposed Project is an up to US\$30 million Working Capital Solutions (WCS) facility to be extended to BRAC Bank Limited ("BRAC Bank" or the "Bank") in Bangladesh, under the FIG COVID-19 Emergency Response WCS Envelope (WCS Envelope). The WCS Envelope is designed to provide funding to existing IFC client banks in emerging markets that will then extend new trade-related or working capital loans to companies whose cash flows have been disrupted by the global outbreak of the coronavirus pandemic. This proposed Project is a one-year facility, renewable for an additional one year, for a maximum aggregate tenor of two years. This Project will support working capital, trade finance and FX liquidity needs of the sub-borrowers (export/import-based SMEs and Corporates) through BRAC Bank's Off-Shore Banking Unit."

Investment Description

- International Finance Corporation (IFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
