Project Description

According to the IFC website, the Project comprises of a senior loan of US\$90 million to NMB Bank Plc under the COVID-19 Emergency Response WCS Envelope (WCS Envelope). The investment will help expand the Bank's lending operations in Tanzania and provide additional liquidity support amidst prevailing economic challenges resulting from the COVID-19 pandemic.

People Affected By This Project

IFC anticipates that the Project will help best position the private sector to support the economic recovery process, shortening the time it will take for the most vulnerable to return to their traditional income-earning opportunities. By sustaining the Bank's ability to provide working capital and trade finance, IFC's facility is intended to promote the resilience of trade finance markets, as well as broader stability that comes about by providing for the going concern of market participants in Tanzania.
