Project Description

According to the IFC, the Project consists of a \$50 million Tier 2-qualifying subordinated loan to I&M Bank Limited, Kenya, I&M Holdings Plc's largest subsidiary. To meet the Central Bank of Kenya's Tier 2 capital requirements, the facility will have a maturity of up to 7 years, with a 5-year grace period. The proposed investment will provide I&MK with a subordinated loan that will qualify as tier 2 capital under Kenyan law, enhancing the Bank's capitalization and allowing it to finance its lending operations to small and medium enterprises (SMEs).

Investment Description

- International Finance Corporation (IFC)

According to the IFC, the proposed IFC investment is a subordinated loan of up to US\$50 million with a tenor of 7-years with a 5-year grace period.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
