## Project Description

The project's goal is to address LPG supply and infrastructure issues in the Port of Mombasa in order to support Kenya's LPG master plan. MGT currently has a fleet of dedicated LPG ISO containers that are used to transport LPG via container ships, rail, and trucks. The project entails an A loan to MGT for the construction of an import terminal that will include; ii) multiple loading gantries for the transfer of LPG to LPG tanker trucks; and iii) dedicated LPG transport vehicles.

ACCESS TO INFORMATION

You can submit a request for information disclosure at: https://disclosures.ifc.org/#/inquiries

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org
