Project Description

According to bank provided information, the proposed investment consists of a one-year senior loan, renewable for an additional one-year, of up to US\$25 million to Capital Bank of Jordan (“CAP” or the “Bank”) under the COVID-19 Emergency Response WCS Envelope (WCS Envelope). The WCS Envelope is designed to provide funding to existing IFC client banks in emerging markets that will then extend trade-related or working capital loans to companies whose cash flows have been disrupted by the global outbreak of the coronavirus pandemic.

Investment Description

- International Finance Corporation (IFC)

The proposed loan of up to US\$25 million under the WCS COVID-19 response facility is a one-year loan, with the option to be rolled over for an additional one year at IFC's discretion, from IFC's own account. The use of proceeds will be directed to working capital or trade loans to SMEs in Jordan.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
