Project Description

According to bank provided information, the proposed project is an uncommitted trade finance guarantee facility under IFC's Global Trade Finance Program (the "GTFP Facility") of up to US\$10 million. The purpose of the proposed IFC trade line is to support the Banco Unico's trade program. GTFP offers confirming banks partial or full guarantees covering payment risk on banks in emerging markets for trade related transactions.

Aligned to the participation of Banco Unico in GTFP, IFC offers a full-fledged trade operational training for back and front offices.

Investment Description

- International Finance Corporation (IFC)

A GTFP limit of US\$10 million for transactions with tenors up to twelve (12) months.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
