Project Description

According to bank's website, "the proposed project comprises an IFC investment of up to US\$150 million for up to seven years in a COVID response social bond to be issued by the Union Bank of the Philippines. The investment is expected to support the Bank in growing its micro, small and medium enterprise (MSME) portfolio including SMEs in the supply chain finance and those impacted by disasters with significant consequences on public health, infrastructure or the economy such as but not limited to COVID-19. This will be the first Social Bond to be issued by the Bank under its recently issued Sustainable Finance Framework".

Investment Description

- International Finance Corporation (IFC)

According to bank's website, "the proposed IFC social bond investment consists of up to US\$150 million for a tenor of up to 7 years. The investment is expected to support the Bank in growing its micro, small and medium enterprise (MSME) portfolio and get much needed funding to this sector which is disproportionately affected by the COVID-19 crisis".

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
