## Project Description

According to the bank documents, " the proposed project is an investment in Everstone Capital Partners IV Pte. Ltd., a Singapore limited partnership and/or one or more parallel or alternative investment vehicles which will invest in equity and equity-linked instruments of companies that have significant operations in India and opportunistically in South East Asia."

The Fund is expected to be focused on healthcare and pharmaceuticals (including service, delivery, diagnostics) and tech services (data analytics, tech integration, SaaS etc.). Other potential sectors of exposure include financial services (retail, MSME, asset finance, insurance) and consumer (consumption and durables).

Expected Impact of the Fund is as follows:

- (i) Providing access to private equity capital to unlisted mid-cap companies, including in underserved regions.
- (ii) Provide capital and operational and financial value add to increase investee growth rates.
- (iii) Increased Gender Equality through Manager's policies at the Fund and investee level.
