Investment Amount (USD)	\$ 30.00 million

Project Description

According to IFC website, the proposed project is for an equity investment of up to US\$15 million into Seabright IV, L.P (the “Fund”, operating as Prime Venture Partners) and a co-investment envelope of up to US\$15 million to invest alongside the Fund.

The Fund will focus primarily on seed to series A stage investments in Indian technology-enabled companies. The Fund plans to invest in companies across healthcare, education, financial services, logistics, consumer internet and enterprise technology sectors. It will help to expand their global reach.

The project will help to position the industry to "buildback- better" post COVID-19, and will contribute to restoring the confidence and enthusiasm of the investors disrupted by the pandemic. IFC's investment is expected to send a signal of support to the ecosystem and existing and new investors.

Currently, the fund and their investee companies have no ESG related provisions in place and the IFC will help implement ESG standards and monitoring.

Investment Description

- International Finance Corporation (IFC)

IFC proposes an equity investment of up to US\$15 million in the Fund, not to exceed 20% of the Fund's total capital commitments.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
