Project Description

According to IFC website, the proposed investment is for up to US\$20M in Alpha JWC Ventures III, L.P., subject to IFC not exceeding 10% of the Fund. Alpha III is a US\$250M (target) Indonesia focused venture capital (VC) fund. It will be managed by Alpha JWC Management Ltd. and plans to target investments across seed to Series B rounds in various sectors including new consumer-oriented models and fintech, with opportunistic positioning in other sectors.

People Affected By This Project

The most significant expected project-level outcomes include i) providing early stage capital and value creation expertise to tech-entrepreneurs to enable businesses to scale up; and ii) increasing competitiveness of businesses through the support of market-disrupting digital business models.

Investment Description

- International Finance Corporation (IFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
