Project Description

The proposed IFC investment is a green loan package of RMB650 million (US\$100 million equivalent). The proposed investment will be used to finance the company's purchase of two new vessels (4,600 TEU each) and various types of containers. The container ships will not be utilized for liquid fossil fuels.

In early 2021, Zhonggu signed contracts to purchase 18 vessels including two vessels to be purchased under the proposed investment, 10 of which are from Jiangsu New Yangzi Shipbuilding Co., Ltd, a subsidiary of Singapore-listed Yangzijiang Shipbuilding (Holdings) Ltd. The remaining eight are from China Merchants Jinling Shipyard Co., Ltd. These new vessels are expected to be delivered from late 2022 to early 2024. The new-built ships will mainly travel the North-South Chinese coastal route for domestic transportation.
