Project Description

According to the bank's website, the proposed project "entails IFC's subscription of up to US\$150 million in a USD-denominated bond to be privately issued by TMBThanachart Bank Public Company Limited ("TTB" or the "Bank") to support TTB to grow green financing for electric vehicles (EVs) and to develop its blue financing business (the "Project"). TTB plans to issue a green bond of up to US\$100 million and a blue bond of up to US\$50 million via private placement to IFC. TTB, originally established as Thai Military Bank (TMB) in 1957, was renamed following its merger in December 2019 with Thanachart Bank Public Company Limited. TTB is the sixth largest bank in Thailand in terms of total assets and offers full-fledged commercial banking services in retail banking, corporate, SME banking, life and non-life insurance, investment banking and asset management."

Investment Description

- International Finance Corporation (IFC)

The proposed IFC investment is up to US\$150 million, including up to US\$100 million subscription in a green bond and up to US\$50 million subscription in a blue bond, to be privately issued by TTB to support the growth of the Bank's green and blue financing.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [TMB THANACHART BANK](#) (Financial Intermediary)
