Project Description

According to the Bank's website, the proposed project is to provide a seven-year senior non-preferred (SNP) loan of up to EUR100 million equivalent to Banca Transilvania S.A. (BT), to be disbursed in EUR or RON. The loan will comply with the EU's Bank Resolution and Recovery Directive (BRRD), helping the Bank to achieve its regulatory MREL (Minimum Requirement for Own Funds) targets. The proceeds from IFC's investment will be on-lent to eligible MSMEs in Romania and used for financing eligible blue projects in the country in line with IFC's "Guidelines for Blue Finance", including sustainable manufacturing, tourism, fishing; water treatment and management; sustainable agriculture irrigation practices; and other sectors that would contribute to sustainable use of water resources for economic growth.

Investment Description

- International Finance Corporation (IFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
