## Project Description

According to the bank website:

The proposed project is to invest up to US\$100 million equivalent (in RON and/or EUR) for IFC's own account in Minimum Requirement for Own Funds and Eligible Liabilities (MREL) eligible bonds (senior preferred, SP, and senior non-preferred, SNP) with up to 7 years tenor to be issued by Raiffeisen Bank S.A. (RBRO or the Bank), in line with its funding plan. The bonds will be issued under the Bank's recently developed Sustainability Bond Framework which is aligned with ICMA's Green Bond Principles, Social Bond Principles, and Sustainability Bond Guidelines, as confirmed by an independent second party opinion provider, and as such will support the growth of a sustainable economy in Romania.

## Investment Description

- International Finance Corporation (IFC)

Under the proposed project, IFC would invest on its own account up to US\$100 million equivalent in RON and/or EUR denominated MREL-eligible bonds to be issued by RBRO under its sustainability bonds program. IFC's investment in each issuance, including both SP and SNP bonds, will depend on market interest and allocation resulting from a book-building process.

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
