Project Description

Eastcastle Infrastructure Limited (“Eastcastle”) was established in 2020 and is focused on the construction and operation of shared telecom towers and related infrastructure in various countries across Sub-Saharan Africa including Nigeria and Democratic Republic of Congo (DRC) (<https://ecinfras.com/>).

In June 2021, IFC supported the formation of Eastcastle with a US\$24 million equity investment (<https://disclosures.ifc.org/enterprise-search-results-home/eastcastle>). IFC are now proposing a further US\$30 million debt facility from IFC’s own account and up to US\$50 million through a B-Loan and Parallel Loans in Eastcastle Infrastructure DRC. The debt funding will be utilized for the acquisition and construction of a portfolio of Built-To-Suit (BTS) and transmission towers in DRC which will be leased to mobile network operators in the country. (“the Project”).

ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
