## Project Description

As stated by the IFC, the proposed investment is a corporate loan of up to US\$18 million to East Can Solutions LLC to finance the development of a greenfield aluminum cans manufacturing plant, with a projected annual production capacity of 550 million cans increasing to one billion after three years of operation. The project is to be developed in the Saidovul area of Tashkent, within a new Special Industrial Zone (SIZ). The project enabling works commenced in April 2024 with a construction contractor commissioned by the Company. The commissioning of the new plant is planned for June-July 2025 and operations are expected to commence in August 2025.

## ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

## ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org) You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
