## Project Description

As stated by the IFC, the proposed investment is a senior unsecured A-Loan of up to US\$75 million under the Fast-Track COVID-19 Facility to Almarai (<https://www.almarai.com/en>) for working capital needs to its existing operations in Egypt. Almarai's operations in Egypt are managed by Beyti (<https://beytiegypt.com/en/page/about-us>), a subsidiary of International Dairy & Juice. Beyti is one of the largest producers of milk, juice, and yogurt products in Egypt.

The use of proceeds of the IFC investment under the COVID-19 Facility will not support any physical expansion of Beyti's existing operations. The current operational footprint of Beyti includes one fully automated state-of-art production facility consisting of two plants located in Cairo-Alexandria Desert Road, Nubaria, Beheira Governorate. The facility produces a variety of dairy, juice, and dairy-based products to the highest standards of hygiene and food safety for domestic consumption and export.
