Project Description

As stated by the IFC, the proposed project is an uncommitted trade finance guarantee facility under IFC's Global Trade Finance Program (GTFP) of up to US\$5 million. The purpose of the proposed IFC trade line is to support Interbank Burundi's trade program. GTFP's investment in the form of a trade line will confirm banks partial or full guarantees [and other trade instruments] covering payment risk on banks in emerging markets in the Republic of Burundi for their trade related transactions.

Early Warning System Project Analysis

The IFC categorized the project as FI-3.

Investment Description

- International Finance Corporation (IFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

Private Actors Description

From the IFC's website:

Incorporated in 1993, Interbank Burundi is a privately owned commercial bank in Burundi licensed and regulated by the Bank of the Republic of Burundi. IBB is the 5th largest bank by assets, 7th by loans and 3rd by deposits in Burundi. The bank serves local businesses and employees of local prominent companies. Its product offering is relatively basic with a client segmentation based on the legal status rather than size of business. IBB has a nationwide presence outside key cities through its network of 41 branches, 26 ATMs, and 495 employees.

As of December 2022, IBB shareholders are Georges Coucoulis (20.5%), Callixte Mutabazi (14.5%), Costa Arturo's succession (11.4%), IBB's pension Fund (9.1%) and other individuals < 5% (44.5%).
