## Project Description

According to IFC project page, IFC proposes an equity investment of up to US\$50 million, not exceeding 20% of total commitment, and an additional co-investment envelope of up to US\$40 million under the delegated authority framework, in Lighthouse India Fund IV AIF (the “Fund” or “Fund IV”), a mid-market private equity (PE) fund focused on growth transactions in India and targeting US\$400 million in total commitments. Consistent with its prior funds, Fund IV will continue to focus on its key strengths of targeting growth stage mid-market companies in consumer, healthcare, specialty manufacturing and digital transformation sectors. The Fund is expected to size its average ticket per company in the range of US\$20-40 million in 10-12 companies.

The Environment and Social risk of the proposed investment is medium, and the project is categorized as FI-2 according to IFC's Policy on Environmental and Social Sustainability.

## Investment Description

- International Finance Corporation (IFC)

The Fund is seeking to raise US\$400 million in aggregate capital commitments. IFC proposes an equity investment of up to US\$50 million in the Fund (capped at 20% of total commitment) in the Fund. Additionally, a delegated authority co-investment envelope for an amount of up to US\$40 million in potential co-investments in the Fund's portfolio companies is also being proposed alongside the Fund commitment.

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
