Project Description

According to the Bank's website, the proposed project consists of a straight senior loan of up to US\$20 million denominated in Kazakh tenge (KZT) to Limited Liability Company Microfinance Organization "KMF", a long-standing IFC partner and the largest microfinance institution (MFI) in Kazakhstan. The proposed financing will enable KMF to provide much needed local currency funding to micro and small enterprises (MSEs) in rural areas (50%) and women entrepreneurs (50%) in a challenging economic environment caused by the COVID-19 crisis and further exacerbated by the Russian-Ukrainian war.

Investment Description

- International Finance Corporation (IFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
