## Project Description

As stated by the IFC, the proposed project entails (i) an equity investment of up to US\$40 million and (ii) a senior debt investment of US\$40 million in Northern Arc Capital Limited (NACL). Northern Arc is non-banking financial company which serves the micro, small and medium enterprise (MSME), affordable housing finance and agricultural finance segments, directly (through partnerships and co-lending) and through its institutional partners (primarily financial institutions).

In addition, NACL has a fund management business (through its wholly owned subsidiary) and a placements business through its technology platform that provides a variety of services and products to participants involved with the Indian debt market. As of March 2023, Northern Arc had assets under management of US\$1.1 billion and a domestic credit rating of AA- (Stable) by ICRA and India Ratings. IFC's investment support will strengthen the Company's capital and accelerate its lending to the MSME segment.

Key financial products include working capital financing, and short- and medium-term loans catering for agricultural finance, vehicle finance and MSME sectors. Within structured finance and placement business, the Company undertakes loan securitization, debt placement, commercial paper, and credit enhancement. Some of the sectors of direct and indirect exposures include supply chain (agri, pharma, electronics, metals), warehouses, renewable sector such as solar power projects, battery manufacturing, electronic vehicles, EV infrastructure (battery swapping) etc.
