## Project Description

As stated on the project disclosure page, the proposed IFC investment is corporate loan of up to US\$60m to MCS Group with specific use of proceeds for the:

- (i) construction of a 24-storey commercial building in central Ulaanbaatar (known as ICC Tower); and
- (ii) agricultural and meat production operations at Metagro (a fully owned subsidiary of MCS), including existing farm, cattle feedlot, and slaughterhouse/meat processing/packing facility.

The investment to Metagro will be the first IFC investment in the agriculture sector in Mongolia. Metagro's operational footprint includes:

- (i) 10,200ha of arable land divided in three plots (field 1, 2 and 3) of 4,000 ha; 4,000ha and 2,200ha, including 100ha of irrigated (central pivot irrigation) with a proposed expansion to 400ha;
- (ii) 50ha cattle feedlot, hay storage, feed silo, feed mixing areas, slaughterhouse/meat processing/packing facility of 10,000 to 15,000 cattle heads per year capacity that includes an on-site wastewater treatment (WWT) plant and a rendering plant next to the cattle feedlot;
- (iii) homesteads, greenhouses, irrigation pond, grain silos and maintenance workshop area.

The farm, cattle feedlot, slaughterhouse/meat processing/packing, and all ancillary facilities are located in the Chandgana valley, Kherlen soum/district, Khentii province situated 330 km east from Ulaanbaatar. This would be IFC's sixth investments in MCS.
