Private Actors Description

As stated by the IFC, founded in 2013 and headquartered in São Paulo, Brazil, Nubank is one of the world's largest digital services platform, with over 70 million customers in Latin America. It uses its proprietary technologies to create customer-centric solutions for its many retail customers. Since its launch in 2013, it has fostered financial inclusion in Latin America by banking millions of previously unbanked and underserved populations.

Nubank went public on December 9, 2021, on the New York Stock Exchange, as well as on the Brazilian Stock Exchange as a depository receipt. Nubank's largest shareholders include its founder, CEO David Vélez, who owns 21 percent of Nubank and the institutional investors that invested in the company when it was private. Sequoia, DST Global, Tencent and Berkshire Hathaway are some of its largest institutional investors.

Nu Holdings is headquartered in Cayman Islands, and Nu Colombia is headquartered in Bogota, Colombia.
