Project Description

The proposed investment comprises a US dollar-denominated working capital solutions (WCS) senior A loan of up to US\$50 million under the COVID-19 Emergency Response WCS Envelope to BRAC Bank Limited (BBL or the Bank), a FIG portfolio client in Bangladesh since 2004. This is structured as a one-year facility with two annual rollover options at IFC's discretion, for a maximum aggregate tenor of three years. The Project will support working capital, trade finance, and foreign exchange liquidity needs of eligible sub-borrowers (export / import-based small and medium enterprises, as per IFC's definition of targeted sectors), through BBL's offshore banking unit and enable the Bank to continue supporting key sectors of the Bangladeshi economy, where the impact of COVID-19 persists.

Early Warning System Project Analysis

The IFC categorized the project as FI-2.

Investment Description

- International Finance Corporation (IFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
