Project Description

The proposed investment is an IFC senior debt investment of up to EUR8 million to Kreditimi Rural i Kosoves LLC, a leading microfinance institution in Kosovo. The investment will be shared equally between IFC's own account and concessional financing provided by the Global Agriculture & Food Security Program. The proceeds from the proposed investment will be used for on-lending to individual entrepreneurs and micro-businesses in Kosovo, including smallholder farmers, microenterprises, women-owned small businesses and entrepreneurs operating in the agriculture sector and underserved rural areas. The project fits IFC's and GAFSP's strategy by directly supporting investment in micro and small enterprises and agribusiness in Kosovo.

Early Warning System Project Analysis

The IFC categorized the project as FI-3.

Investment Description

- International Finance Corporation (IFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
