Project Description

As stated by the IFC, the proposed project consists of:

- (i) an additional IFC equity commitment of up to \$30 million in Horizon Capital Growth Fund IV (HCGF IV or the Fund) in addition to an already existing commitment of up to \$30 million in the Fund leading to a total commitment of up to \$60 million; and
- (ii) a co investment envelope of up to \$30 million, on a delegated authority basis, to invest in select companies alongside Emerging Europe Growth Fund III (EEGF III) and HCGF IV. HCGF IV is a private equity fund with a target size of \$250 million. The Fund will invest primarily in mid-cap fast-growing technology and export-oriented companies, primarily active in Ukraine (around 80% of Fund size) and Moldova benefiting from cost competitive local platforms with global reach. The Fund is expected to increase access to private equity capital and value creation for companies in Ukraine (around 80% of Fund size) and Moldova, including furthering investments in women-owned/led companies.

Early Warning System Project Analysis

The Project has been classified as category FI-2 according to IFC's Sustainability Policy.

Investment Description

- International Finance Corporation (IFC)

A proposed IFC equity commitment of up to \$30 million, resulting in an aggregate commitment of up to \$60 million to the Fund.

Furthermore, IFC will set up a separate co-investment envelope of up to \$30 million, on a delegated authority basis, to be invested in select companies alongside EEGF III and HCGF IV.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
