## Project Description

According to the Bank's website, IFC is considering providing an A-Loan of up to EUR75 million to Ülker Bisküvi Sanayi A.S..

The IFC Loan will support Ülker's multi-year corporate investment program which includes: (a) structural improvements for its factories in Türkiye to make them earthquake resilient; (b) sustainability targeted investments; and (c) maintenance capex for Hamle Company Ltd. LLP, Ülker's subsidiary in Kazakhstan.

---

### Early Warning System Project Analysis

This is a Category B project according to IFC's 2012 Policy on Environmental and Social Sustainability due to limited and site-specific E&S risks and impacts associated with reinforcement, maintenance, and resource efficiency investments within existing factories.

## ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

## ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org) You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
