Project Description

According to the Bank's website, the proposed project consists of a Risk Sharing Facility (RSF) for an aggregate portfolio of up to US\$80 million in equivalent Pakistani Rupees (PKR) with HBL Microfinance Bank (HBL MFB or the Bank) in Pakistan (the Project). The Project aims to support HBL MFB as part of IFC's response to rehabilitate the microfinance (MF) sector post the impact of the 2022 floods and ongoing macro-political challenges. The Project is expected to be supported by the Private Sector Window of Global Agriculture and Food Security Program (GAFSP). IFC's exposure will be up to US\$40 million, or 50% of the risk sharing facility.

Early Warning System Project Analysis

This project is an unfunded RSF for an aggregate portfolio of up to US\$80 million in LCY equivalent with HBL MFB which is primarily targeting to finance flood-impacted microfinance borrowers in Pakistan. The applicable E&S risks and impacts associated with these activities are considered low and the project has therefore been categorized as FI-3 (low risk).

Investment Description

- International Finance Corporation (IFC)

The proposed project is a 50:50 unfunded RSF for an aggregate portfolio of up to US\$80 million in equivalent PKR (IFC Own Account: up to US\$40 million in equivalent PKR) with HBL MFB.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
