Project Description

According to the Bank's website, the proposed investment entails up to 5-year senior syndicated sustainability loan to JC International Finance & Leasing Co., Ltd. ("JC Leasing" or "the Company"), a commercial leasing company sponsored by Legend Holdings Corporation (3396.HK) in China. The loan is to support JC Leasing in growing its climate finance portfolio (energy efficiency, waste management, sustainable water, clean transportation, renewable energy, etc.) and social finance portfolio (women-led SMEs, healthcare, education and vocational training, etc.). The investment comprises (i) IFC A loan of up to US\$100 million equivalent in RMB, and (ii) IFC syndicated loan of up to US\$125 million equivalent in RMB. The loan will be aligned with the Green Loan Principles (GLP) and Social Loan Principles ("SLP") of the Loan Market Association ("LMA") to ensure transparency in use of proceeds, monitoring, and reporting. The investment is expected to be IFC's first sustainability loan to a financial institution in China.

Early Warning System Project Analysis

The proposed project is a syndicated senior loan facility for supporting JC Leasing's growth of green and social loans portfolio. JC Leasing is a commercial leasing company and provides leasing finance mainly to SMEs, corporates and development projects in China. The project will exclude any higher risk business activities that involve a) involuntary resettlement, b) risk of adverse impacts on Indigenous Peoples, c) significant risks to or impacts on the environment, community health and safety, biodiversity, cultural heritage or d) risk of significant retrenchment, or e) significant Occupational Health and Safety risks. The project will not support any coal-related activities including coal mining, coal transportation or coal-fired power plants, and infrastructure services exclusively dedicated to support any of these activities. The project has been categorized as a Category FI-2 project according to IFC Sustainability Policy.
