Project Description

As stated by the IFC, the proposed project envisages an Indian Rupee denominated investment of up to US\$75 million equivalent in Aavas Financiers Limited, an existing debt client of IFC. The investment will be made by subscribing to the non convertible debentures to be issued by Aavas with a tenor of 5 years. Aavas will use the proceeds of the issuance for providing affordable housing finance for the purchase/construction and extension of houses to individuals in low-income groups in India. The Company is in an advisory project with IFC to help develop its green affordable housing business, and there are discussions underway to use part of the IFC proceeds for financing retail purchases of green housing.

Early Warning System Project Analysis

The IFC categorized the project as FI-3.

Investment Description
